

# Albemarle Community *Investment Grants*

Albemarle are leaders in transforming essential resources into critical ingredients for energy, mobility, connectivity and health. Albemarle is committed to building and maintaining strong, mutually beneficial relationships with our customers, stakeholders and communities.

Albemarle Community Investment Grants provide support to not-for-profit organisations that operate in our areas of operation and provide programs, events and activities that align with our three target areas:

### **Empower Communities**

Invest in initiatives and events that facilitate improved wellbeing, social cohesion and increased resilience, to contribute to thriving communities.

### **Expand Knowledge**

Invest in initiatives that expand educational and employment opportunities in host communities, contribute to the diversification of the economy and support innovation.

### **Elevate Culture & Environment**

Invest in initiatives that promote diversity, equity and inclusion and increase awareness and development of First Nations culture.

Invest in initiatives that support the sustainable management, restoration and protection of the environment
