

# GRADUATE PROGRAM & UNDERGRADUATE VACATION PROGRAM

## AT ALBEMARLE WE SERVE PEOPLE AND PLANET IN OUR MISSION TO CREATE A MORE RESILIENT WORLD

Albemarle is excited to invite you to be part of our Australian Graduate Program and Undergraduate Vacation Program. We can help you to forge a rewarding career in lithium energy storage and become an essential element in creating a brighter future.

Our Lithium Hydroxide Processing Plant at Kemerton near Bunbury is world class and our company is a global leader. We actively embrace diversity of experience, talent and thought and value curiosity, collaboration, care and accountability.

Your decision to join our team will be rewarded with a positive, team-oriented workplace that inspires and promotes growth. We can help you to achieve your career goals and to realise your full potential.

### This is our culture. This is our commitment.

#### Program Aim

The Albemarle Graduate Program and Undergraduate Vacation Program is designed to help us build a sustainable pipeline of diverse, Albemarle-trained talent. Our program will provide the right skills, experience, and development opportunities to enable you to successfully contribute to the operation and ongoing major expansion of our world class Kemerton Lithium Hydroxide Plant facility near Bunbury in the South West of Western Australia.

#### Graduate Program Structure

Two years of structured workplace learning:

- Graduates will have opportunity to develop within their fields and to gain solid industry experience
- Our leaders and subject matter experts will provide mentorship, guidance and regular feedback
- Explore pathways for a unique and rewarding career at Albemarle.

#### Undergraduate Vacation Program

12 weeks of practical work exposure:

- Gain direct industry experience with meaningful work in our company
- Develop practical skillsets
- Test your suitability for future roles and a career with Albemarle.

#### Our Commitment

- Ongoing training and support via a comprehensive framework
- Dedicated mentor/business leader support and work connections
- Endless opportunity to learn, develop and follow your chosen career pathway
- A workplace embracing collaboration and curiosity
- Competitive salaries and benefits.
